

## What is a Practice Enterprise?

- a trainee-run business
- set up as an office
- structured in departments
- connected to Practice Enterprises around the world
- located in training institutions, companies and other VET training centres

## PenNed

- PenNed = Practice Enterprise Network Nederland
- initiative of Stichting Praktijkleren (SPL)
- SPL is a Dutch provider for learning & examination material for vocational training programs
- established as an Erasmus Plus project in 2017
- member of PEN Worldwide - the Worldwide Practice Enterprise Network - since 2018

## BECOMING A MENTOR COMPANY

### What is a Mentor Company?

A Mentor Company or Business Mentor is a company from the real business world that provides advice and ideas to Practice Enterprise Trainers and Trainees. A Mentor Company gives insights about the processes and how a business is run. It can provide real-world products and services for sale within the virtual environment. The collaboration opportunities are flexible and to be agreed upon by the Mentor Company and the Practice Enterprise.

### COLLABORATION

- internship opportunities
- involvement in recruitment & evaluation of trainees
- market research
- company visits & trainings
- sponsoring

### COMPANY BENEFITS

- recruitment possibilities
- Corporate Social Responsibility
- flexible mentor agreements
- contact to potential customers
- internship & trainee opportunities

### 21<sup>ST</sup> CENTURY EMPLOYEES

- practice-based training
- increased employability
- broad & sound business knowledge of future workforce
- high social & digital skillset
- career guidance
