

Inspire Tomorrow's Entrepreneurs: Become a Business Mentor Today!

The **PEN Worldwide - Practice Enterprise Network** supports education and training organisations in member countries to deliver work-based training in business and entrepreneurship skills through the unique **Practice Enterprise 'learning-by-doing' methodology**: *Business and Entrepreneurship Training tailored to the Needs of Tomorrow.*

What is a Practice Enterprise?

A **Practice Enterprise** is a trainee-run company that operates like a real business. It silhouettes a real enterprise's business procedures, products and services. Under the guidance of a trainer and business mentors, trainees create their Practice Enterprises, from product development, production and distribution to marketing, sales, human resources, finance and web design.
