LEARNING/TEACHING/TRAINING ACTIVITIES

From April 4 to 8 2022 two LIBA representatives have participated in learning activities and deepen experience how to use the all DEA products. Event coordinator: AMOR

BLENDED MOBILITY FOR YOUNG PEOPLE

The event will be held in Vilnius from 9 to 12 May 2022. Coordinator of the event: LIBA.

Preparation and coordination of the 5-day program aimed at young people. Development of games and situations to be presented to the participants during these activities. Preparation of invitations to the participants. The invitations were distributed by e-mail to several schools that are members of the LIBA association. The school's administration would like to be responsible for the selection of their participants (young learners) and take responsibility for all logistical processes planned for their students to ensure that they participate on time as described in the program. LIBA has prepared but not yet signed agreements with these schools pending coordinator approval.

Suggestions for participants accommodation:

1. Vilnius City hotel Svitrigailos str. 11D, (around 47Eur per night/double room/ breakfast included) 3,1 km from meeting place.
2. Ibis Vilnius centre Rinktinės str. 18, (around 60Eur per night/double room/ breakfast included) 2,4 km from meeting place.

PROJECT MANAGEMENT AND DISSEMINATION

Information about the project was updated on the LIBA website: <https://liba.lt/projektine-veikla/> and in the

Practices Enterprises network newspaper Simulith Zinios, the project objectives and results were presented to 25 trainers of Practice Enterprises in Lithuania (at universities, VET, secondary schools) in individual online meetings between 2021 December and 2022 January. During these individual meetings with trainers, we discussed PE needs in the field of digitalization and selected potential schools as future

DEA product users and as product testers or as schools that have a desire to have their students participate in BLENDED MOBILITY activities in international teams.

The products (before testing) were presented to 3 Practice Enterprises students and teachers in different VET schools to involve them in the questionnaire testing procedures during the online meetings in February 2022.

We presented the project DEA and the main products to 11 different youth organizations belonging to the STARTNET network during the F2F conference of StartNet Europe Networks hosted by Znanje Na Djelu / Wissen am Werk Zagreb on March 23-25, 2022, in Zagreb. At this event, the projects gallery was organized.

LIBA continues dissemination activities with the involvement of associated partners -Vilnius University of Applied Sciences (VIKO) Higher Education and Vocational Training Center Žirmūnai (PM CZ).

We will present the products of DEA at the global PE members meeting in Germany, May 16-18, 2022.
